THE COLONIAL TRAMCAR RESTAURANT

Dining in Melbourne can be a fabulous experience, especially aboard our famous fleet of historical trams that have become The Colonial Tramcar Restaurant.

These glossy, burgundy restaurants on wheels are the first travelling Tramcar Restaurants in the world and ensure a delightful innovative approach to dining.

As they cruise the scenic streets of Melbourne, diners can enjoy our seasonal menu, quality Australian wines, or a selection of beverages from our fully stocked bar at an all inclusive price.

The atmosphere is cosy, the service friendly and the decor as inviting as the colonial period these trams reflect. Since their inception in 1983, the restaurants have become a star attraction and a tourism symbol for Melbourne. Dining with us is

not only a culinary delight, but a trip into a little piece of Victoria's history.

Our trams have been carefully refurbished to provide all the modern conveniences you would expect from a first class restaurant, comforts such as seats covered in plush velvet, beautiful brass fittings to cast a cosy glow and background music to add to your dining experience. The trams are air conditioned and have stabilisers fitted to ensure a smooth ride.

Join us aboard for a unique and unforgettable experience and you will find out why we are the proud four-time winner of the coveted National Tourism Award.
